Pepper is a stocky 15.2h, well bred buckskin mare going back to Poco Bueno on the topside and Peppy San Badger on the bottom. This horse has competed in futurities in the ARCHA and used the last 3 years for team penning and ranch sorting. Over \$10,000 won in penning and sorting. Very well broke, huge heart and would make an excellent ranch or working cow horse. Loads, baths, clips, and easy to trim or shoe.
